

**AZERBAIJAN NURSING AND MIDWIFERY SYMPOSIUM-
STRENGTHENING NURSING AND MIDWIFERY**

11-14 December 2022, Hilton, Baku

COURSE INFORMATION FORM

Title	How the Role of GCNMO can enable policy leadership and Delivery?
Aim	<p>Creating leadership opportunities is a strong factor in strengthening nursing and midwifery and is associated with better implementation and oversight of the nursing and midwifery workforce to ensure its alignment with key priority areas. The Roadmap to Guide Implementation of the Global Strategic Directions for Nursing and Midwifery in the WHO European Region argues that the involvement of nursing and midwifery at all levels of policy development and implementation also ensures acceptability, feasibility and full ownership of the processes of implementing and sustaining effective policies.</p> <p>This workshop aims to:</p> <ol style="list-style-type: none"> 1. Discuss and learn about the models of nursing and midwifery policy leadership in WHO European region 2. Discuss and learn about different country experiences on how the role of GCNMO enables policy leadership that supports improved health outcomes 3. Explore the health policy priorities for Azerbaijan and how GCNMOs can contribute to advance them.
